Book Details:

Review: This is definitely my favorite self-help book (and I've read a lot) and my second favorite book of all time. The book discusses the one single key that it all boils down to in life, imo: There are two primal, overpowering emotions, Love and fear. The tendency toward fear is slightly stronger in most people bc it was so protective of us in the caveman...

Description: Dr. Dan Baker, director of the Life Enhancement Program at Canyon Ranch, has devoted his life to teaching people how to be happy. And apparently, most of us could use a little tutoring. Research has shown that the root of unhappiness--fear--lies in the oldest, reptilian part of our brains, and negative reactions are often dictated by primal instincts....
